

# TUESDAY ACTIVITY CLASS

## WHERE: ZOOM ONLINE

**Ms. Brittani Grades 1<sup>st</sup> - 3<sup>rd</sup>**

**Ms. Karen Grades 4<sup>th</sup> - 6<sup>th</sup>**

## BENEFITS: LEARNING IS ADDICTIVE!

Good constructive project-based activities can help students learn to utilize the tools of project management. Tuesday activities are a learner-centric challenge to help strengthen your child's creative process. Which in turn can help improve skills they will need and use in many different aspects of their life. Some proven benefits of doing class projects are the following:

- Boost confidence
- Improved Critical Thinking
- Personal Development
- Improved Communication Skills
- Build Leadership Skills
- Strengthens creative processing
- Be a Better Listener
- Help Inspire Change
- Strengthens Motor Skills
- Build Friendships

## PROJECTS/ACTIVITIES MAY INCLUDE:

1. **Brain puzzles-** A puzzle or problem whose solution requires great ingenuity. It often requires thinking in unconventional ways with given constraints in mind; sometimes it also involves lateral thinking.
2. **DIY Challenges-** Also known as "Do it yourself" this is the method of building, modifying, or repairing things without the direct aid of experts or professionals. Thinking is contagious! These activities are meant to boost creative thinking that will solve a problem with limited supplies.
3. **Science, History, English and Math** – This class isn't a playtime. It is constructive and project-based. What better way to get your child to learn than by making it fun! All projects will have a lesson based in one of these subjects. There may even be homework!
